**POTPIS I POTVRDA** (The Declaration): Potvrđujem da su ovi podaci potpuni i tacni i da zdrebe nije zaceto vestačkom oplodnjom, prenosjenjem embriona ili transplanta, kloniranjem ili bilo kojom drugom nacinom genetske manipulacije. Upoznat sam i saglasan sa uslovima za registraciju Srpskog Stud Book-a i placanjem taksi za registraciju. Prihvatam da ovlasceni veterinar, na moju odgovornost, uzme DNK uzorak od zdebeta u svrhu sprovođenja testa roditeljstva i da na moju odgovornost zdebetu ubaci mikrocip dobijen od Srpskog Stud Book-a. Srpski Stud Book zadržava pravo da zadrži deo uzorka za identifikaciju i utvrđivanje roditeljstva, sada i ubuduće. Prihvatam da Srpski Stud Book zadržava isključivo pravo da odluci koju će prijavu prihvatiti, odbiti ili brisati iz Srpskog Stud Book-a i pripadajućih publikacija. (I confirm that the information that I have supplied is true and accurate in all respects and that the foal was not conceived by artificial insemination, embryo transfer or transplant, cloning or any other form of genetic manipulation not herein specified. I agree to abide by the Conditions of Entry to the Serbian Stud Book and to pay the fee applicable to registration. I understand that Serbian Stud Book requires that a Veterinary Surgeon, at my own risk, takes a DNA sample from the foal for the purpose of undertaking parentage testing and at my own risk implants a microchip supplied by Serbian Stud Book in the foal. Serbian Stud Book reserve the right to retain a portion of the sample for identification and parentage testing, now and in the future. I further understand that Serbian Stud Book reserve to themselves the sole right to decide what entries can be admitted to, excluded or removed from Serbian Stud Book at any time.
